

We want to let you know how important our K-LOVE station is to us. If K-LOVE were replaced by an LPFM broadcaster providing other programming we would be left without the kind of programming we really love and appreciate. K-LOVE is a station I know I can listen to with my small children where I am confident they will be exposed to only "clean" and positive messages, without commercials. And what's more we have the added advantage of being able to travel to other areas which are covered by a K-LOVE signal and still get this same great programming. I am always pleased to see how many other people in our community also listen to K-LOVE for the same reasons we do!
